

The Valentine's Day Massacre in Verse

How to sum up for the Calgary Guild
 Just how much Calgary killed!?
 First, we could talk about Stephen's new game:
Actor's Knifemare! (if you play it you'll never be the same...)

But seriously now, here's the down low;
 Across from our hotel was a rip-off peep show
 Rick had eight double shots of Patrón
 The girls connected over a burger all their own
 Stephen was called handsome pretty much 24/7
 And when he got naked the audience was in heaven
 Laura danced her ass off and gave a Gospel call
 Heather licked some hair and then an eyeball
 We had to apologize for being too gross
 And Rick got roasted for aging the most
 We got booed and the finger for being who we are
 And apparently saying Iginla took it too far

Despite all the bias, we proved that we're rare
 We were unique and sexy and had really great hair
 Now, Atlanta, Orlando & Bellingham:
 Great onstage & off! Oh hot damn!!
 These gents were so fun & were such a riot
 They put us on an "all laugh diet!"

There was rain, alcohol and male on male kissing
 Hot waitresses, pizza slices & people we'll be missing
 There were slaps to forget and times to remember
 (Let's hope Calgary gets to visit Orlando in December!!)

So, three packed their bags and three headed home
 Leaving S-dizzle to represent all alone
 He'll kill it of course, even though breasts he has not
 And we're all so glad to be getting back to...THE FABULOUS! THE HILARIOUS!
 THE ONE AND ONLY.....CALGARY LOT!!!!!!
